

5 Ways to Help Out the

OCCUPATIONAL DEVELOPMENT CENTER

Recycle your old cell phones

When you get that new phone, why not consider donating your old cell phone to the ODC. We get cash for recycling these old phones. We can also recycle all of your old printer ink cartridges.

Donate your old clothing

Clean out those closets and donate your old clothing and other household items, to the Community Aid bin located in front of our building at 640 Martha Avenue. We get paid for what is donated. Have too much to haul here yourself? Give us a call!

Donate your old vehicles

Have an old car you're looking to get rid of? How about a boat, truck, RV, or motorcycle? We'll pick it up for you, and you'll get a tax write-off. Just call us at 855-500-RIDE, mention the ODC, and we'll take care of the rest. Or look for us online at www.careasy.org

Shop Amazon Smile

When you shop online via Amazon, make sure you log on at smile.amazon.com and select the Occupational Development Center as your charity of choice. A portion of all of your purchases will be donated to us!

Dine Out

Use the diner card printed below each time you eat out at either Park City Diner or Knight & Day Diner, and a portion of your check will be donated to us. You get a great meal, and we benefit!
